If you would like to get a sibling photo, please alert the staff when your students are wearing the costumes you want them photographed in.

****Please do not stress. If your dancer has a quick change, we will make sure to wait for them! All students will take a group and individual photo. You are under no obligation to purchase. We do not allow anyone except for teachers in the photo studio. Family members are encouraged to sit in the audience in the big room to watch each classes performance. This is your chance to video and take pictures as we ask you to refrain when we are in the CHS auditorium.***
